

Even if the expense of running a Gas Stove in Dollars, was as great as running a wood or coal stove the gas is cheaper in the end. Time and wood-cutting must have some place in the expense column.

DENOUNCED ALLEGED GERRYMANDERING

DEMOCRATIC COUNTY CONVENTION ADOPTED SOME STRONG RESOLUTIONS LAST NIGHT.

The following is the platform adopted by the Democratic County convention at its session last night at Waverley Hall, together with the amendment relative to the endorsement of Supervisor Moore and Treasurer Trent of the Democratic office holders under the County:

Honolulu, T. H. Sept. 24, 1906.
To the Chairman and Members of the Democratic Convention for the County of Oahu.

Gentlemen: Your Committee on Platform submit their report as follows:
We, the representatives of the Democratic Party in the County of Oahu in convention assembled, hereby declare our fealty to Democratic principles as promulgated by the Territorial convention of the party and heartily endorse every plank of its platform.

We denounce the "machine" in politics as the most insidious foe that constitutional government and individual liberty have to contend with and we declare that the practices in the police and road departments of this county are subversive of that discipline and attention to details so necessary in the conduct of the individual in these departments of the public service.

We pledge our candidates for Sheriff and Deputy Sheriff to make a clean sweep of every vestige of the graft and maladministration evidenced in the conduct of the department under its present head, and the strict enforcement of all laws for its repression.

We denounce the Board of Supervisors for the whitewashing given both the Sheriff and Road Supervisor after having determined specific misconduct of their duties, and we pledge our every assistance to the Democratic element in our next Legislature in entirely abolishing the Territorial road department, placing this service with the counties where it rightly belongs.

We denounce those provisions of the County Act whereby the apportionment of Supervisors for this County is made such as to prevent the equal representation of the electors in that body. By the terms of the Act the 1st Supervisor District with a total of 366 votes; the 2nd District with a total of 275 votes and the 3rd with a total of 281 votes, each elected one Supervisor; the total collective votes of the three successful candidates amounting to 553.

—the district of Kona or Honolulu with more than 4000 votes being forced to collectively elect its three supervisors—at-large within the district; a condition that puts in the shade all the methods of gerrymander that made politics odious in some states twenty or more years ago.

We demand a redistricting of this County making all the supervisors to represent as near an equal proportion of the electors as precinct boundaries will permit.

Respectfully submitted,
(Signed) J. EMMELUTH,
S. K. KALOA.

An amendment endorsing the course of H. T. Moore as supervisor and R. H. Trent as treasurer, the two Democratic office holders, was offered to the platform and adopted.

SALVATION ARMY AUCTION SALE

There will be an auction sale at the Salvation Army Hall, corner of King and Nuuanu streets, tonight, commencing at 8 o'clock. Several of the stores have donated goods to the Army, to be sold for the benefit of the work in Honolulu. There will be quite a variety of merchandise, and articles made by the Salvation Army Industrial Home, for sale.

Anyone having anything to donate for the sale will please deliver it at the hall, corner King and Nuuanu streets, any time to-day. Or ring up Adjutant Bamberg, phone Blue 2531.

FUND TO ASSIST YOUNG MANASE

SUBSCRIPTIONS BEING ASKED TO ENABLE CONVICTED MURDERER TO TAKE APPEAL.

Job M. Manase, brother of the Hawaiian who is under sentence in California for murder, has received a letter asking for funds with which to perfect an appeal to the Supreme Court of California. A similar letter has been sent to the Rev. H. Maanase, father of the condemned. The letters are from C. H. Bidwell, an attorney who offers to take the matter up for \$100.

Bidwell says that there is in his opinion evidence that the killing was done in self defense, and that he believes that an appeal would result at least in a conviction of a lesser offense than murder in the first degree.

George Castle and others are trying to raise \$150 here, to send to aid the young man, and the Advertiser has asked for subscriptions.

TO RECEIVE WARSHIP.

Local Japanese arranged to send a reception committee out to a decorated launch, to meet the war vessel Angawa on her arrival from Japan, on a visit here. The tug will take out a scow, from which fireworks will be sent up. Efforts will be made to arrange a grand public reception, lasting two days, at which the officers from the ship will meet local Japanese, on the Boys' Field. There will also be a number of more private dinners and a reception to the Honolulu public other than Japanese, if the vessel's officers are willing.

DEMOCRATS NOMINATE DELEGATE

E. B. McCLANAHAN SELECTED AS THE STANDARD BEARER—PLATFORM ADOPTED.

After an almost continuous session that lasted from 12:30 yesterday morning until 11 o'clock last night the Democratic party of the Territory and the county and districts of Oahu, completed its work and put forward various tickets, as well as platforms for the approaching campaign.

Probably the biggest surprise was the nomination for Delegate to Congress, the plum or whatever it can be called, going to E. B. McClanahan. It was a case of honors being thrust upon him however. McClanahan walked into the convention at Waverley Hall yesterday afternoon to watch the proceedings, he was immediately greeted with a roar of cheers and not until after he had been assured by various delegates could he credit that he had been named as the Territorial standard bearer.

There had been considerable difficulty and uncertainty regarding the nomination of any candidate for delegate. John Emmeluth had been slated for the position but immediately following the adjournment of the Territorial convention yesterday morning, he found that business relations would not admit of his making the campaign. His withdrawal left the party without any candidate in sight. W. A. Kinney and other leaders thought that a candidate should be named whatever might be the prospects. But who to select was the question. The Hawaii delegation was opposed to the nomination of any delegate and it was anticipated that a split would occur. So the convention reassembled at 2 o'clock yesterday afternoon without a candidate in sight. It had been suggested to Kinney that McClanahan be put forward and evidently Kinney decided to have his law partner offered up as a possible sacrifice.

While awaiting the report of the committee on platform speeches were made by Charles Williams of Hawaii, Senator Palmer P. Woods, W. A. Kinney, Curtis P. Lauka, Supervisor H. T. Moore, Treasurer R. H. Trent, Iola Kikahahi, S. K. Hui, Ben Naukana and Sam Koloa.

The report of the committee on platform was then read.

Solomon Meheula moved to amend the platform to the insertion of a plank pledging the candidates to endeavor to find a cure for leprosy. There was some discussion over this matter, during the course of which the sentiment seemed to be that if a man had leprosy he ought to have the right to first call in the person he most desired to treat him. The amendment finally passed and the report was adopted.

E. B. McClanahan was then nominated for delegate to congress by Sam Koloa and was chosen by a rising vote.

The selection of the Territorial Central committee resulted as follows:

First Senatorial District—C. M. Le Blond, J. M. Kauwila, R. Ross, D. Ewaliko, W. A. Kealoha, H. P. K. Malulani, J. A. M. Osojlo, John Kellipule, H. S. K. Ne, C. K. Stillman, D. Aloa, Isaac Kibi, C. Ka, J. L. Kawawili, H. Lalwahole, Kapela Kemana.

Third Senatorial District—Fourth District: John Kikahahi, R. B. Kidd, W. A. Kinney, C. L. Rhodes, C. P. Lauka, Albert Kauwe, J. Emmeluth, F. W. Weed, M. A. Silva, M. E. Silva, D. N. Kahalepene, M. Palau. Fifth District: W. K. Apua, D. Naotui, R. L. Gilliland, P. K. Kapana, D. K. Kahalepene, Frank Harvey, A. G. Kanne-glosser, John K. Prendergast, J. W. Blotkane, W. M. McClellan, Ed. L. Lika.

There were no selections from the second and fourth senatorial districts and it was decided that the committee had right to fill in the vacancies. The total of the committee is sixty members.

The convention then adjourned.

REPUBLICANS START SATURDAY

WILL HOLD AN OPENING CAMPAIGN RALLY AT AALA PARK—KUHIO LEAVES FOR HILO.

The Republican County Committee held a meeting last night at the party headquarters, to consider the campaign situation. In an address made in response to a call for some remarks Delegate Kuhio sounded an alarm against "knifing" the ticket. He said that there was a dangerous disposition to knife and that the party workers must get together and do some hard work. The necessity of bringing out voters to register was also discussed during the evening. The finance committee reported having met with encouraging success in the canvass for funds.

Chairman Harry Murray presided at the meeting and among those who were present were Delegate Kuhio, County Auditor Chicknell, E. Buffandean, C. F. Chillingworth, Senator Lane, J. Hughes, C. Mustace, Jr., A. V. Gear, Sam Johnson, J. H. Boyd, S. Mahelona, L. L. McCandless, F. T. P. Waterhouse, D. Kalaokalani, Jr., E. W. Quinn, Harry Johnston, N. Fernandez, C. Clarke, W. T. Rawlins, E. A. C. Long, A. C. Arnold.

At the suggestion of Waterhouse it was decided to hold a big rally at Aala Park next Saturday night, by way of opening the campaign. Chillingworth spoke in favor of starting the campaign immediately, saying that the opposition parties were busy hustling for votes. The chairman called on Kuhio, who said in part:

"I'm not a politician and don't know

Leonard Cleanable Refrigerators

LEONARD the name of a cleanable refrigerator that is cleanable—cleanable in a better sense—in a more complete sense than any other refrigerator.

The Leonard is an ice saver, too, but of the two qualities—the cleanable and the ice saving—the cleanable is the best money saver for you.

The Leonard is well finished, dry and scientific.

It is the most sanitary refrigerator on the market.
